## LINING

All our leotards are fully front lined to give dancers confidence that nothing is visible from under the garment.

Beige lining for color leotards

White — for white leotards

## POCKETS FOR CUPS

Some ballerinas prefer using cups, while others — don't. We made pockets, so there's always the possibility of changing cups, adding them, or removing them when needed. Please, note: we do not sell bra cups so you will need to buy them separately.

## CONSIDERING ANATOMY

The secret of GRISHKO® uniform popularity is in its refined form. It's the carefully verified line of the back that allows the teacher to control the correct work of shoulders and neck, the form of hip cut that makes the movement easy, staying on the same place even during the most intensive exercises, and exceptional quality of fabrics.

# KNITTED WARM-UP

GRISHKO® knitwear collection was a best seller last year, and we're sure it will be just as popular this year, as we have created another beautiful line and made it even better.

The premium-quality Italian yarn is tested several times before knitting.

The quality department carefully checks each garment during production and when finished. The highest quality is approved by professional dancers and happy ballet moms, who admire the durability.

High-technology production processing makes the ready garment soft and not itchy.

Color stays bright after dozens of washing cycles.

The yarn complies with the German, Italian and European Laws regarding the prohibition of the use of toxic substances.

Super comfort is achieved by purl-knitting technique that allows the garment to follow body curvature perfectly.

ECO. The yarn is made by a sustainable factory, which uses innovative dyeing on cones that can achieve 50 % of water saving compared to conventional dyeing. Also the large part of the energy is supplied by the photovoltaic system installed on the roof of the plant.

# MEN'S GARMENTS

In a field dominated by the fairer sex, the male market is often overlooked.

We intend to set the record straight — and give our retailers a unique opportunity to capture this promising niche.

Our collection of men's garments covers all the basic items that male artists need from leggings to bodysuits and underwear.

Strong sweat-wicking qualities give you all-day comfort; highly stretchy fabrics guarantee free range of motion; all garments are designed to hold up to vigorous movement and frequent use thanks to durable fabrics, strong threads and stitches.

As more boys join the art of ballet, don't miss out on the trend with the GRISHKO® men's collection.

# HOW WE HELP RETAILERS BOOST SALES

When our retailers prosper, we prosper, too. That is why we have a wide range of marketing tools to help you sell our products.

## MEDIA MATERIALS AND DESIGN

We provide retailers with high-resolution photos of our products that you can use in store or online. We can also create designs for your stand, brochures and other promotional materials that feature our products on request. Contact your international brand manager or your sales representative to discuss if you need any promo materials.

## PARTNER SCHOOLS

We are a retailer-centric company, therefore we created a program uniting ballet schools, retailers, and an amazing quality. For consideration into the Partner School Program, please contact your personal manager.

## AMBASSADORS

To better promote GRISHKO® products, you can rely on the strong brand image we built both on social media and in the professional world of ballet with the help of our ambassadors.

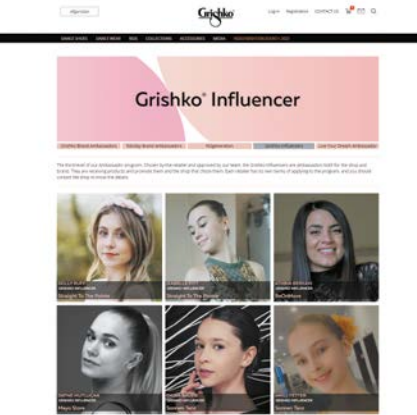

## GRISHKO® Brand Ambassadors

are the first level of our Ambassador Program. We engage professional ballet artists — soloists and principal dancers — as well as promising young talents who inspire hundreds of thousands of ballet lovers all over the world.

Our Brand Ambassadors are true icons of dance, winners of most prestigious ballet contests who have both impeccable ballet technique and strong media presence. Together, they promote the GRISHKO® brand and embody our motto — LIVE YOUR DREAM.

They have an official contract, get regular support from the brand, and participate in the brand events.

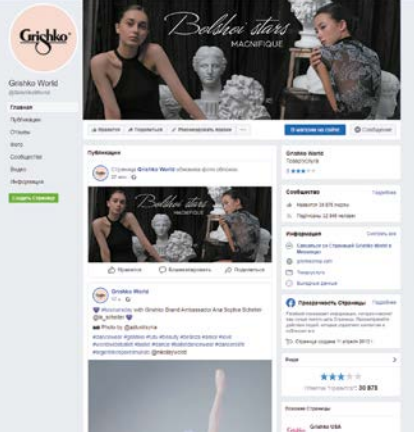

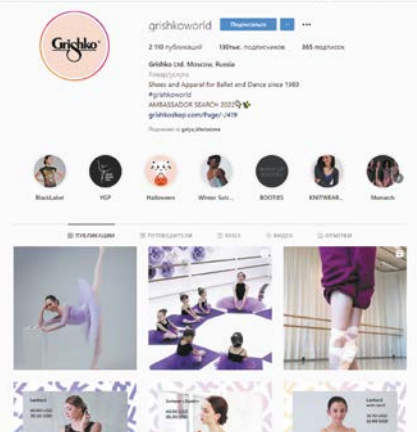

## GRISHKO® Market Influencers

are the second level of our Ambassador program designed specifically to boost online presence of GRISHKO® partners retailers. Each store can choose their own influencer to promote them — and we will provide them with quarterly gifts.

GRISHKO® Influencers create engaging content for your store, and we regularly feature both your influencer and your store on our social media accounts — so you can reach an audience of more than 180 000 loyal GRISHKO® customers. Each retailer has its own terms of applying to the program.

@grishkoworld is great opportunity to feature your store and share all the news regarding new arrivals and in-store events announcements.
